## Letter from the President Elections!

On Tuesday, February 3, 2009 the Holley Terrace Civic Association will hold elections for new officers. The elections will be held from 7:00-9:00 PM at St. Jerome Roman Catholic Church, in the Adult Education Room. This is participatory democracy in its greatest form, but only if YOU participate as voters.

In December we sent a call for candidates for all elected and unelected positions. Please find below the list of candidates and volunteers that have come forward. Also note that we still have openings for candidates for President and Secretary, and I'm sure that we could always use more Block Captains.

If you are unable to be present, a mail-in ballot will be available. Remember that there will be door prizes for those who do attend the meeting.

Candidates may also be nominated at election time.

I would finally wish to thank all the many people who were of great help to me during the interim period that I was your HTCA president. As is the case with all organizations, without many people sharing their time, experience, and skills, organizations such as our Civic Association would simply not be able to function. I'm sure that those elected to the offices in the HTCA will also be the beneficiaries of the assistance that I received. Many hands make light work. I knew that I would eventually remember that.

**Steve Dittrich**  
**Acting President**
